After more than 800 volunteers helped search Saturday police still don't know what has happened to her. She was last seen leaving for school on Friday where she was to walk 3 blocks to meet up with friends and then continue her walk to school. It was in those 3 blocks that police say she disappeared. Police are seeking any information that can help them locate Jessica. Jessica's father resides in Missouri and police have been in contact with him. While there is a custody dispute, at this time police don't believe he is involved in Jessica's disappearance.
